THE FINAL SHOWDOWN

Dr. Light built Gamma to be the ultimate answer to world disasters. It was to be powered by the eight super-rare high-energy crystals called "Energy Elements." Through trickery and lies, Dr. Wily stole both Gamma and the Energy Elements, and then left Light Labs in burning ruin.

Mega Man has tracked Dr. Wily down to his hidden castle base and battled through all of his defenses. But Dr. Wily has taken command of Gamma and unleashed its full power on Mega Man.

What can one boy robot do against a robot built to handle all of nature's fury...?

YOU SAID BREAK MAN IS STILL OUT THERE SOME-WHERE?
YEAH. I'M SORRY-- I COULDN'T BRING HIM HOME.
STOP APOLOGIZING! YOU JUST SAVED THE WORLD-- AGAIN!
IT'S ALL RIGHT. IT'S ENOUGH TO KNOW HE'S OUT THERE, ALIVE. AND MAYBE...MAYBE IT'S BEST TO LET HIM COME HOME ON HIS OWN TERMS.
TRYING TO CONTROL HIM IS WHAT PUSHED HIM AWAY. WHEN HE'S READY, WE'LL BE HERE FOR HIM.

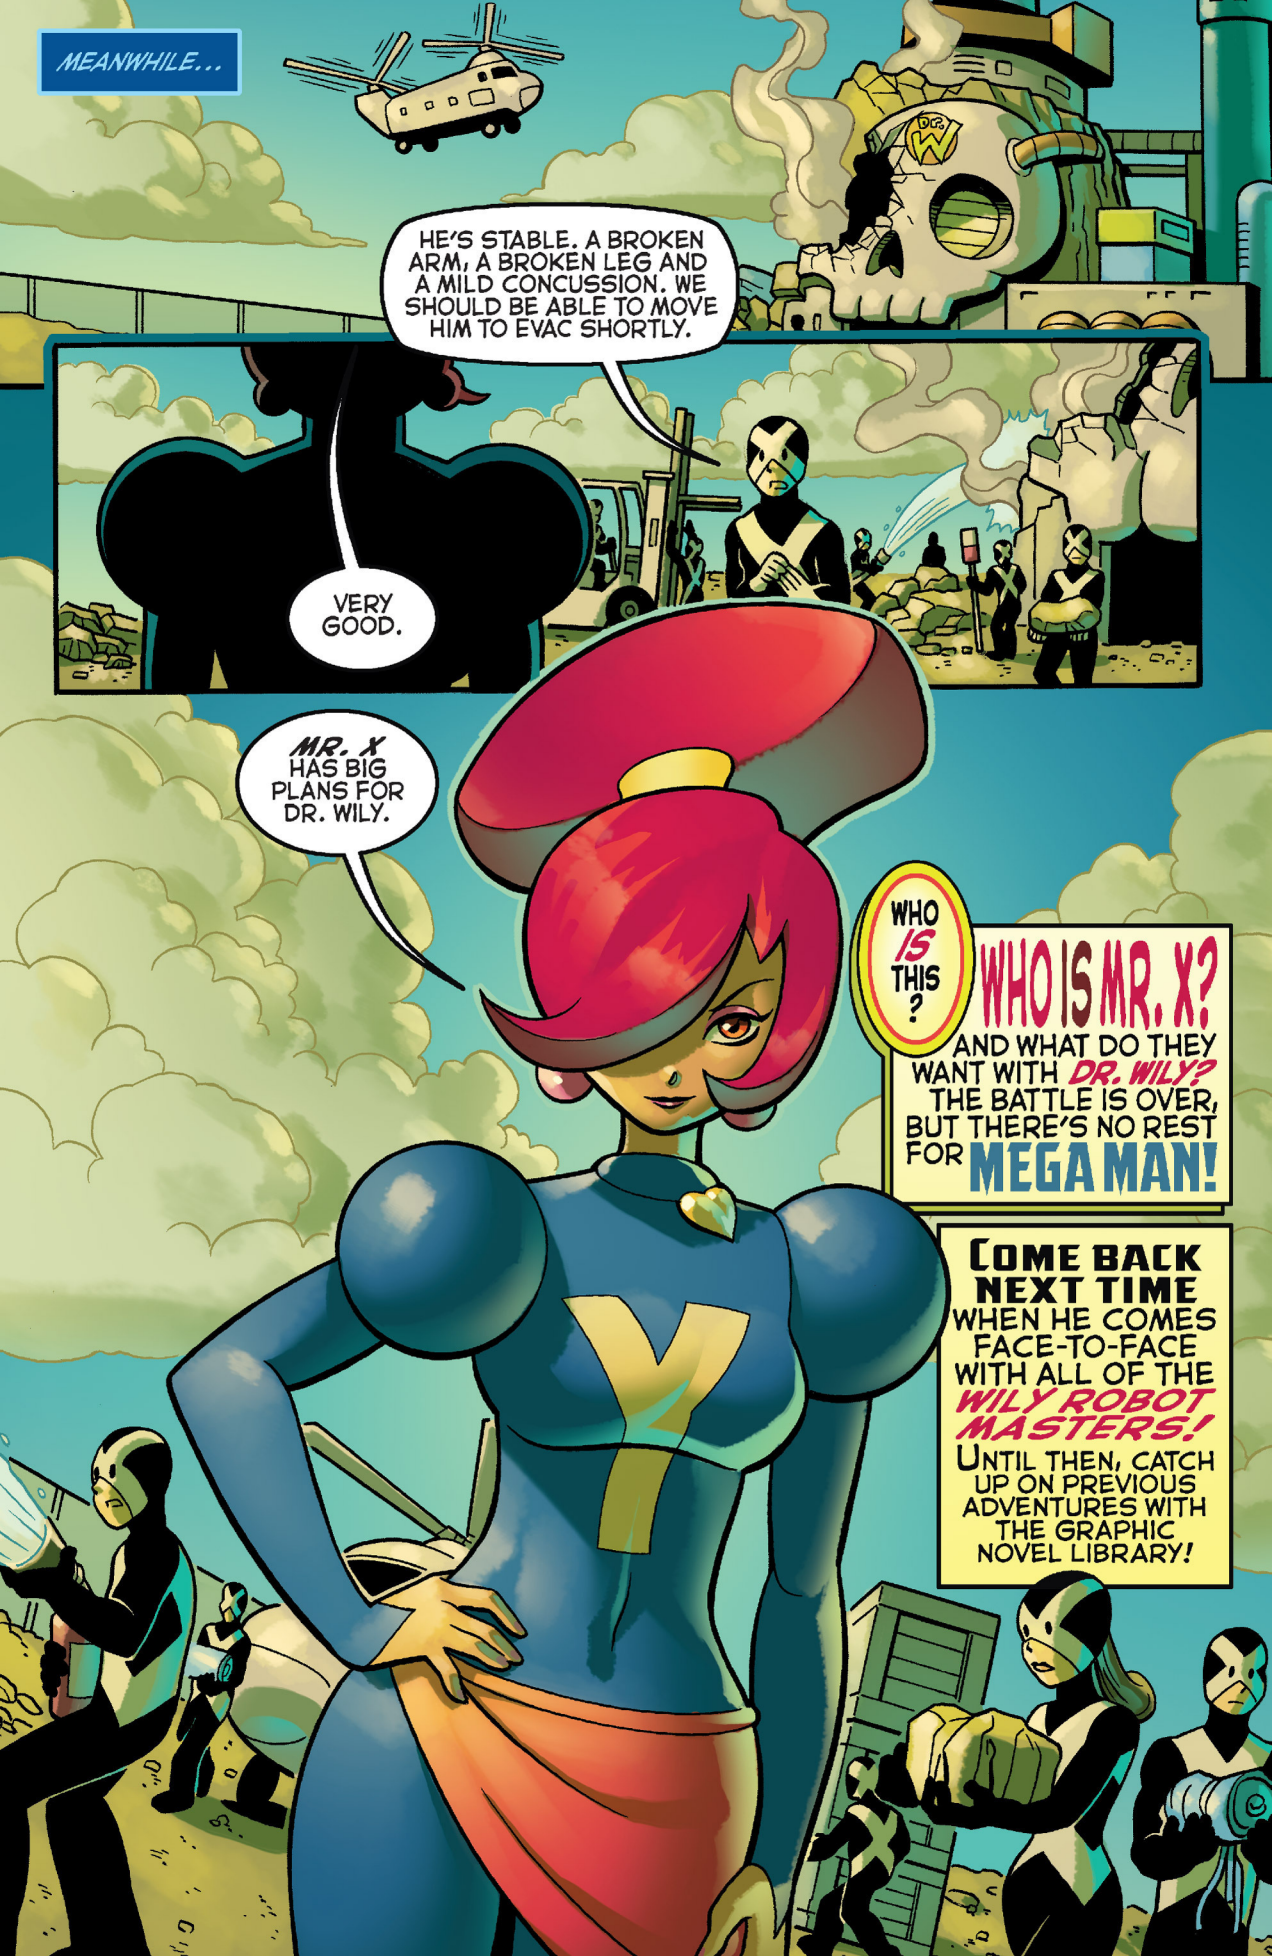
WAS THAT --?
YEAH.
THANKS FOR BRINGING ME HOME, BIG BROTHER.



MEANWHILE...
HE'S STABLE. A BROKEN ARM, A BROKEN LEG AND A MILD CONCUSSION. WE SHOULD BE ABLE TO MOVE HIM TO EVAC SHORTLY.

A Letter from the EDITOR

Attention: Mega Man fans! Hear ye, hear ye!

It's my privilege to officially introduce to you your new **Mega Man** comics Editor -- Vincent Lovallo!

Vin has been working on these books for years now as Assistant Editor to yours truly, and his brilliant work has helped to transform the comics you hold in your hands month after month into the pristine works of art that they are today. And believe me, the awesomeness you've got coming up in the next few months courtesy of Mr. Lovallo is going to blow you away! I couldn't be happier or more proud to have worked with Vin, and he's about to become the best Archie Action editor ever!

Thanks to everyone who made my time as Editor a great one — especially to Mike Pellerito, who set a shining example of how to do this job and do it well. Also a big thanks to Victor Gorelick who hired me all those years ago, Jon Goldwater who makes publishing these wonderful titles possible, everyone at Archie who has pitched in to help over the years, to CAPCOM, especially Francis, Noriko and Susan for all their support, and to the incredible talent I got to work with on these titles! Chatting with Ian Flynn, Ryan Jampole, Patrick Spaziante, Matt Herms, Evan Stanley, John Workman, Gary Martin, Rick Bryant, Chad Thomas and so many others is always the highlight of my day! And last but not least, thanks to you the reader and all the fans who have written to us, said hello at shows, and supported these titles through five crazy years of expansion, change and epic new heights. You pals 'n' gals are the best.

Long story short, get ready for big action, tons of laughs and LOTS of adventure as Vin takes the reigns.

To quote Mike, "the best is yet to come!"

Paul
